Sir:

INFORMATION DISCLOSURE STATEMENT

In accordance with 37 CFR § 1.56, the references listed on the attached form PTO-1449 are being brought to the attention of the Examiner for consideration in connection with the examination of the above-identified application. Copies of the non-U.S. patents cited in the form PTO-1449 are enclosed. The other cited references are U.S. patents and thus copies thereof are not submitted in accordance with Official Gazette Notices 05 August 2003.

The following is a concise explanation of the relevance of the non-English-language reference:

DE 3428634 discloses a carton for accommodating a plurality of bottles (12). The carton is tubular in structure and comprising top (4) and base (1) opposed panels. The top panel (4) includes a retaining structure that comprises engagement panels (6, 8) with engaging edges to engage bottles. The retaining structure is provided with openings each for receiving a bottle cap. The engaging edge is provided by an edge of the at least one opening.

This information is being submitted within three months of the filing date of the above application or before the mailing date of a first office action on the merits. Accordingly, it is respectfully requested that the information cited in this statement be considered according to 37 CFR § 1.97(b). However, if this information is submitted after the three months and a first Office Action has been mailed on or before the date shown on the Certificate of Mailing included in this statement, please charge Deposit Account No.
